

Extend the life of your drills and cutting tools by up to 500%

Improve your cutting quality!

Introducing Greenlee's 462B Dark Cutting/Threading Oil, now in a convenient 8 oz. toolbox-sized bottle. Anyone using high-speed drill/taps or hole saws knows that oil will improve your cutting quality and extend tool life, but until now, it wasn't worth the hassle of taking it into the field. The Dark Cutting/Threading Oil shatterproof bottle with integral applicator nozzle is virtually "leak-proof" - perfect for use in the field!

Extreme pressure and lubricity additives help Greenlee's Dark Cutting/Threading Oil provide fast, smooth cuts, excellent surface finish and long tool life in a wide range of applications. Thermally stable for long fluid life, the 462B does not contain any hazardous compounds and can be easily cleaned from machined parts.
