PRESS RELEASE

GREENLEE'S NEWEST CLAMP METER MAKES THE GRADE *CM-330 Makes Taking AC Amperage Measurements Simple*

ROCKFORD, Ill. — Greenlee's newest addition to the test and measurement family, the CM-330 clamp-on meter, is designed for taking basic AC amperage measurements. It has the capability of measuring up to 400 amps AC and has a Category III 600V safety rating per UL 61010B-1.

“Professionals will appreciate the ergonomic design, ruggedness, the compact size of the CM-330 as it will fit easily into their tool pouch,” said Chera M. Ellis, product manager.

The CM-330 clamp-on meter also has data hold and max hold to capture important readings. There is a 2000 count LCD display for easy reading and a jaw that opens to 1.06 inches. The CM-330 clamp-on meter comes with a carrying case for convenient storage. Like all Greenlee test and measurement products, the CM-330 is backed by a Lifetime Limited warranty.

For more information on the CM-330, or other test instruments from Greenlee, a Textron company, contact Greenlee, 4455 Boeing Drive, Rockford, Illinois 61109-2988. Phone (815) 397-7070. Fax (815) 397-1865 or visit the website at www.greenlee.com.
