

722 Steel Cable & Wire Rope Cutter

Cuts Steel Wire & Wire Rope

The new Greenlee 722 cutter is designed specifically to cut small diameter steel wire and wire rope, including aircraft cable. The blades are made from forged steel and are hardened

specifically to cut steel. The 722 is less than 8" (200 mm) long and it weighs only ¾ lb. (0.34 kg), so it's very handy to use and fits easily in a tool pouch.

PRODUCT FEATURES

- Heavy-duty forged steel blades and handles
- Heat treated, precision ground, shear action cutting blades
- Cushioned handle grips

SPECIFICATIONS

- Length: 7 7/8" (200 mm)
